

Care Package Initiative Disclaimer

Sheffield United Community Foundation are committed to the care and wellbeing of their participants always, this includes taking the necessary precautions when delivering the Fans FC Care Package Initiative.

These precautions can include:

- Assessing the environment on arrival to the beneficiaries' place of residence
 - Wearing proper PPE as required to the environment
 - Maintaining recommended social distancing distances
- Advance checks regarding beneficiary's current health and symptoms before agreeing to the care package drop off
 - Sanitizing before and after handling any care packages
 - Collecting information regarding the beneficiary
 - Discussing necessary precautions with beneficiaries before care package drop off

Please note that this list is not exhaustive to all measures taken. For further information regarding the Care Package Initiative, please contact the Health & Wellbeing Department at:
